Rube is Shining in Three Roles, Pitcher, Actor and "Journalist"

NOT only a real live actor is Rube Marquard, the new pitching star of the Giants this year, but a regular full fledged journalist, too.

The Rube will report the series of games for the baseball championship of the world between the Giants and the Athletics for a syndicate of newspapers. Pitcher Marquard canceled an engagement to appear in vaudeville as a mere comedian recently, to be a star of a musical comedy this winter and now he is to be a reporter.

Incidentally Christy Mathewson, Ty Cobb and Hal Chase are to take a fling at the newspaper game for the big series, the two former reporting the games for the Herald, and the star first baseman doing the same for an evening paper.

There are many queer changes taking place in the baseball world. Four years ago Merkle, the Giant's first baseman, was considered the biggest bonhead in the baseball world, and John Evers, of Chicago, one of the cleverest players on account of a little misplay on the part of Merkle and the taking advantage of it by Evers, which gave the Cubs the pennant. This year the tables are turned with Merkle the most reliable man on the Giant's team and the one counted on to a great extent to win the pennant and the same Johnny Evers, who was such a heady player, is now one of the almost down and out class.

Harlie Kiefer, El Paso's right fielder, pulled off a play in the game with Dawson which rather startled the fans of Albuquerque. It was the catching of a fly ball which seemed an impossibility to field. After a long run he picked it from his shoestrings, losing his balance and turning a couple of somersaults, but still holding on to the sphere.

Chick Brandon pitched Tuesday's game at Albuquerque and put up a fine article of ball. He allowed only seven hits and struck out as many batters.

There will be three pretty side battles during the world's series. These will be between McGraw and Condie Mack in running the teams, Thomas and Myers cutting off the base stealers and between Mathewson and Bender in the pitching department.

In the east they're touting Eddie Murphy as the best lightweight in the country since the days of Joe Gans. He has been winning the majority of his fights lately.

Christy Mathewson, the greatest

pitcher in the country, is reported as saying that he will retire from baseball if the Giants win the championship.

Deve Allerdice, captain and halfback on the Michigan university team in 1910, has been secured to coach the University of Texas football team during the present season. He takes the place of William Wasmund, the Austin team's coach who died last Wednesday as a result of injuries he received by falling from his bedroom window. Wasmund and Allerdice were teammates on the Michigan for four years, Wasmund playing as quarterback and Allerdice as left half. Allerdice so far this season has been coaching the Butler college eleven in Indiana.

Kid Noyes, El Paso's catcher, has hit for a total of 13 bases out of eight times up in the first two games of the Albuquerque series. He has had two triples, three two baggers and a single.

Pendleton, of Princeton, the football player who was touted so high last year and failed to show anything spectacular, will have a chance to come to the front this year in the quarterback position on the Princeton eleven.

Hal Chase picks the Athletics to win the world's championship series. The hit and run game which the Athletics like will do the trick for them, he thinks.

The Athletics will have one advantage in the world's series in having five long distance hitters and their work will come in on having crowded fields to play on. The ground rules will make all extra base hits that go into the crowd two baggers, and some of the hits which would be easy flies on clear fields will go as safeties. On this basis the Athletics ought to get three-fourths of the extra base hits on account of having Lord, Berry, Baker and Barry's hitting.

El Paso has one of the heaviest hitting teams in the southwest. In Tuesday's game with Dawson it totaled 15 hits for a total of 27 bases, every man on the team connecting with it safely and four of them for three hits for the day. In Monday's game they got 13 safe hits.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this Liniment he was well. For sale by all dealers.

Why Not Buy a Home

Upon the same plan as you buy provisions—a little at a time? If we had to save up enough money to purchase a ten-years' supply of flour, and pay cash for it, many of us would go without bread.

So in the matter of a home, that lasts a lifetime, few can afford to buy one outright for cash. When you buy a home on the installment plan, the man who sells it to you, or the one who lends you the money, is like the grocer who buys flour by the earload and sells it to you by the sack.

TEN INNING GAME GOES TO SANTA FE

Deciding Games of Tournament to Be Between Albuquerque and El Paso

It took ten hard fought innings for Santa Fe to take the third baseball game of the Albuquerque tournament from the El Paso team, and then the score was 3 to 1 in Santa Fe's favor. The losing of this game ties El Paso and Albuquerque for first position in the tournament race. Santa Fe made the winning run in the tenth inning by bunting a double and a single.

Durham opened in the box for El Paso. In the absence of Gray, who failed to arrive, but Durham went badly and in the fifth he had to be jerked from the box. Chick Brandon was sent in to check the Santa Fe onslaught, but the sluggers had too good a start and he could do nothing with them.

At one time El Paso had a glorious chance to score, which would have won the game, as there were three

men on bases, but the Santa Fe bunch tightened up and they could not come across.

The deciding game of the tournament will be played today, as the Albuquerque team and the El Paso team are tied for first place.

BUT TWO BOWL UP TO THE 200 MARK

In the one man team bowling tournament at the Cactus club Wednesday night, Tuttle and Hardiker were the only bowlers who were able to roll over the 200 mark. Hardiker accomplished the feat twice, while Tuttle did it once, and that time with only one point.

Clyde Holmes made seven splits out of 10 frames in his last game.

TWO ARE TRAINED FOR BOXING BOUTS

Amateur boxing bouts are being arranged at the Y. M. C. A., and some fist mills will be put on in the gymnasium in a short time. "Red" Stevenson is being trained down for the 125 pound class, in preparation for a match with some member of the 1910 Athletic club. The name of his opponent has not been made public, but he is said to be an unknown with considerable ability in the boxing line. Multane, another Y. M. C. A. boxer, is getting into condition for the 115 pound class, and he will also be matched with a fist artist from the athletic club.

The date for the match has not been set, but the mills will be pulled off in the Y. M. C. A. gymnasium.

At the boxing classes held at the Y. M. C. A. Wednesday night 14 men entered, seven of whom are entirely new in the boxing line.

MASON'S HOLD MEETING.
Royal Arch Masons No. 127 held their monthly convocation Wednesday evening. After a business session six candidates were initiated, after which the chapter had a banquet, covers being laid for 50.

Ladies and Gentlemen:—

I returned home several days since, with the other members of the Trade Excursion, after making one of the most delightful trips I ever made in my life. I was delightfully pleased and surprised at the cordiality and hospitality with which your good people treated us while we were visitors in your city.

Each one of the members of our party was astonished at the wonderful progress made in practically every section that we visited. All of us hope that our visit will cement the bonds of friendship between our trade territory and El Paso.

I intend to make a harder effort than ever before to keep in closer touch with your territory and have decided to put on a special traveling man to cover the territory traversed. I have not been making sufficient effort for this business, the extent of which is larger than I had dreamed. I have come to the conclusion that your town should be visited oftener by one of our representatives.

Of course, we realize there is a large section of the territory where it is impossible for us to do business on account of the rates; nevertheless, I do not regret making the trip to this section, as, business or no business, it was an education for me to see the wonderful progress made on all sides. I came home more encouraged than I have ever been in my life regarding the territory tributary to El Paso.

I want to extend to all of you a hearty invitation to visit our plant when you come to our big Jubilee Celebration, Oct. 19th, 20th and 21st, and I will be glad to personally escort any of you through both our factories, the ice plant as well as the mill.

I am writing this letter personally, because I, myself, feel obligated to express my thanks for the treatment accorded me as an individual. Many of you did not know what industry I represented, and your hospitality was not prompted because the writer would be able to do you any service, but was spontaneous and came from the goodness of your hearts, for which I thank you.

Again thanking you for the many courtesies extended to me while on the Trade Excursion, and trusting to have the privilege of meeting again some of the friends I made on this trip, I beg to remain,

Yours very sincerely,

CLAIBORNE ADAMS, Manager.

As we exported about \$25,000.00 worth of corn into Mexico in Sept. 1910, and as no corn was exported during the month just past, you will note how the decrease is accounted for. Eliminating this Mexico business, which we did not have this year, our flour and grain sales in our own territory show a very fair increase.

FINAL PRACTICE THURSDAY NIGHT

The Y. M. C. A. football team will be put through a hard grilling in its final workout, Thursday night, in preparation for the New Mexico Aggie game at Mesilla Park Saturday. This will be the last practice before the game, as the men will be allowed to rest over Friday.

Fourteen players will be taken on the Mesilla trip Saturday and twice as many runners will accompany the team.

The team which will be taken has not been picked as yet as the coaches will wait until after the final practice, Thursday, before making their selections.

BASKETBALL GAME.

On Wednesday afternoon the Mesa and Sunset basketball teams played three games on the court of Sunset school. A very enthusiastic audience watched the game, which was won by Sunset. Miss Grace Flock acted as referee. This is the first of a series of games to be played between the two teams during the fall. The Mesa
